“ Dorothy was a dear and long time friend. We met when our husbands worked together and my oldest daughter was approximately three years old. I have many, many cherished memories of Dick, Dorothy, Tom, Donna and Jim. When we would visit them the men would gather in one place and Dorothy and I would sit at the kitchen table keeping an eye on the kids playing and having coffee. Whenever we needed assistance with anything Dick and Dorothy were always the first ones to step forward that I certainly owe them a debt of gratitude. Our history and memories go back so far it is impossible to list them all here but Dorothy will always have a special place in my heart. We used to visit quite often but a change in my career which took me to working shift work, time and distance kept us apart and even though I think of Dorothy all the time I regret that I cannot visit her in person until we meet again. I will never forget decorating for Donna's wedding, staying with Dick and Dorothy the weekend of my parent's 50th Wedding Anniversary and Jim do you remember skating on that red carpet with your skates on. My daughters and I still laugh about that one. So goodbye for now my dear friend and say hi to Dick and Tom, two more dear and cherished friends that have gone before you. Donna, Jim and Families take comfort in knowing that your Mom was a wonderful, caring and loving woman who loved your Dad, her children and grandchildren unconditionally. She will be missed but never forgotten in our hearts and memories.
