

Graham Trone

April 24, 1951 - November 26, 2020

Graham Robert Leslie Trone died peacefully on November 26, 2020 at CEE Hospital, Petrolia at the age of 69. He will be lovingly remembered by Gwen (Goodrow), daughters Megan and Carla (Chris McNaughton). He was a very special Grandad to Holden. As a member of the "Goodrow Outlaws", Graham is also survived by his six siblings-in-law, their spouses and children. He was predeceased by his parents Ken Trone of Toronto and Jean (Hodges) Watson of Hamilton. His uncle Ron Trone of West Virginia also survives him. Graham was born in London, England and immigrated to Canada in 1959, growing up in Hamilton. During his 44 years with Corrosion Service, he worked in Sarnia, Montreal, and Calgary.

He coached his daughters' soccer teams in Petrolia and served on the Petrolia Soccer Club executive for 11 years. There wasn't a renovation job he couldn't tackle, especially the renovation and addition to a century home and friends' projects over the years. His love of Pink Floyd was legendary and he was thrilled to have seen them in concert whenever they came to North America. His dry sense of humour will be missed by all. A memorial party will be held in Graham's honour when we can get together next year. Graham's wish was for no funeral flowers, but memorial donations may be made to Petrolia Soccer Club or CEE Hospital Foundation (ceehf.ca).

We love you and will miss you, you have become comfortably numb.

*Gwen, Megan, Carla and your families,
We are all so terribly shocked and saddened to know of Graham's passing. What a privilege John and I had to have met him when we visited Canada in 2006. Graham's drive from Alberta for the weekend was astonishingly generous and not lost on us as an amazing act of kindness.
We feel your pain in this time of loss,

“ Gwen, Megan and Carla,

I had the pleasure of knowing and working with Graham (and Gwen too) since 1980 on various projects. Always the 'go to guy' for pipeline corrosion engineering, he knew the pipeline infrastructure of the 'Valley' like the back of his hand. He willingly shared his knowledge and experience to Colleagues for the betterment of the industry.

We also coached and organized 'opposite' one another in soccer on the Petrolia-Wyoming circuit, a little bit back in the day!

We shared lots of laughs, and supported each other too, during various life events.

Hold your memories tight, thinking of you all during this time of grief.
