“ Dave, Bonnie and the rest of Helens family, I'm so sorry for the loss of your mom and meme. It's difficult to lose a loved one but now she is now with her husband Omer whom she longed to be with. You will miss her daily but she is with you always as she is with you spiritually each and every day. She was a great person and I was honoured to have done her hair for so many years. We had great conversations and I miss her every Friday.

God Bless you all and may she rest in peace.

“ Dear Family and Friends of Helen,

This is a sad time for many who had a chance to know and / or love Helen. She was my Mom's dear cousin, and I remember that she had a lovely smile and laughed often. I always enjoyed spending time with her, however infrequent it was between visits, because of her warm and genuine way of being in the world.

May God bless her now, and her family too, and sending Light and Love to her as she journeys.

Much love to you Helen,
