“ Ron was an incredibly special person. He was a special brother-in-law to us, a compassionate and caring uncle to our son Christopher. Our lives were enriched by knowing Ron and sharing in his all-to-brief life. That said he gave us much more than some people can in a longer life. We offer condolences and sincerest support to Diana and look forward to "sharing forward" to her all that we can. Sincerest condolences to the entire Racher family. May Ron's memory sustain us all. Love,
Tricia & Stan & Chris Kamzol.

“ to our dear cousins Diana, Terry, Patti, Jamie, Tom: Please accept our sympathies for the loss of your Brother and Husband Ron. He was such a kind and caring cousin to all of us...in the Racher families. We often caught up with our lives in line-ups in the funeral homes for so many of our aunts and Uncle losses. We laughed that we could catch up in family histories during those times..... I remember meeting him while he was walking around the block for exercise by the back/side door of Scotiabank..... He would always divert my questions to the side of priority for him to ask me how my Dad was doing at the Home.He would softly explain to me that he could not go to see my Dad as he was taking treatments. He was always worried about others around him more than his own condition.He would smile BIG when we talked about him acting and looking like his Mom, my Aunt Lois. Rest in peace Ronny...."and He will lift you up on Eagles Wings...and Hold you in the palm of His hand! Norm and Pat Triest

“ From high school days, I remember Ron's kind eyes and soft smile. He was a lovely, kind young man. We enjoyed many good times together as teens do - laughing and partying. I pray for blessings of peace and comfort for Ron's entire family; through their sorrow of losing Ron far too soon.
May he be free of his pain, and full of eternal light and grace.

“ Ron was a awesome and fun co worker always willing to help and share his knowledge and opinion ..many a long nite shift on a cold wet wash pad were made bearable with his jokes or comments.It was always a adventure when Ron would get together with our co workers from Quebec he would have them busting a gut laughing with his grasp of certain words of the French language.Ron shared my passion for the Pittsburgh Steelers and many Sundays we spent texting during games often asking me how many foam bricks I had tossed at my tv.He doubted me when i once texted "!!@#\$\$%^&^%\$# grabbed remote by accident instead of foam brick" until i sent him a pic of my tv he said he never laughed so hard.You will be missed my friend rest in peace
