She will be remembered by her siblings, Cindy Madden (Ian Wasserman) and Chris Madden. Predeceased by her parents, Victor and Dale Madden. “ I am so sorry for the loss that family and friends are feeling. I only remember Vicky as a child and so I have put a couple of pictures her for you to see that she was a beautiful baby!

I am sorry that I cannot attend her celebration of life, but my prayers will be with Cindy, Chris and all the wonderful friends Vicky had.

“ Victoria and I shared many 1-1 activities. We connected on so many levels. As sad as I am to hear of your passing I know you are finally at peace. Our time together made me laugh, you made me think vic and I am so thankful for the time we spent together. Through your eyes I seen the world in a new way.. thank you for that! I'm sure right now you are dancing, laughing and finally seeing the world with your new eyes. Thanks Vic, I will miss you and remember all the great talks we had for a lifetime. Rest in peace sweet lady and have a great time with your mom!

“ My family and I will miss Victoria. I met Victoria over 27 years ago. I took her home with me over Christmas and Easter and continued doing so over all of those years. She became a good friend and a member of our family. Victoria had a gift of connecting with people. Her sense of humor, thoughtfulness, infectious laugh and beautiful smile were all a big part of her charm. I will miss her speaking "Vicanese"- her own special language that she created and named. We mourn her, but her spirit will always be with us. It was a pleasure and an honor to know her.

“ I don't think Victoria ever forgot a name and could tell it was me just by the sound of my footsteps. She truly was a sweet lady. I hope she and her beloved mum are having a sing song in heaven.

“ I had the pleasure of meeting Victoria over a year ago when I started working at the group home she lived in. Almost every morning as I walked up to her home- she would be sitting outside enjoying the sunshine. Her smiling face and positive attitude was the first thing I encountered before I started my shift and it was hard not to have a good day after that. She was full of compliments and love for everyone around her- often telling me how much she liked me! The feeling was mutual. She was a very lovely women who despite some obstacles in her life- tried to look at life with a positive approach. I know she is in Heaven reuniting with her Mom and that puts me at peace. Thank you Victoria for all the positivity you brought into my life. Thinking of her family, friends, roommates and staff who supported her.
